

Module 4COSC007C.1 Mathematics for Computing

ICT 1 – Instruction Sheet

Read the instructions carefully.

1. There are **20 multiple choice questions** in the test.
2. You have **60 minutes** to complete the test.
3. This is a **closed-book** test. You are **NOT** allowed to have any notes, lecture slides, tutorial exercises, practice test or any other materials with you during the test.
4. However, you can use empty rough sheets and no need to upload them.
5. You have only **ONE attempt** at this test – do not try to take the test again.
6. Do **NOT** use the browser Back button *back arrow* on your browser, Do **NOT** navigate to any other site in that tab and Do **NOT** close the browser once you have started the test as this will cease your test.
7. If an image is not visible, click on the drop-down and select 'Preview File' or download the file.
8. **Questions are randomized.** So do not bother trying to copy or help any of your colleagues.
9. You are **NOT** allowed to use any communication device during the test.
10. You are **NOT** allowed to communicate with anybody other than the invigilator during the test.
11. You are **NOT** allowed to have more than one window open on your computer – that will be a browser with a single tab for the Blackboard test. Blackboard will open any extra required tabs as required.
12. This online test is held under the same restrictions and codes of practice as all examinations undertaken at the University of Westminster.
13. By submission of this test, you are acknowledging that the answers you submit are your own work.
14. Examiners reserve the right to interview any student in order to discuss any aspect of their test submission.
15. As in all examinations, any suspected cases of academic misconduct will be investigated and reported.
